WHAT SAFETY MEASURES ARE IN PLACE?

- **24-Hour Emergency Assistance:** You can receive the assistance of a real person any time – day or night by calling 800- 245-3511. Scholastica’s emergency assistance team will respond within a short time to offer assistance.
- **Tour Coordinator:** Scholastica’s tour leaders are more than guides; they are on-site tour coordinators. Your tour leader will accompany the group for the tour duration, staying at the same hotel and often traveling with the group to and from their point of origin. Should an urgent situation arise, the tour leader is right there to handle it.
- **Nighttime Supervision:** Scholastica hires nighttime supervision to patrol the hallways from late evening to early morning for the safety and security of the students. Everyone, whether at home or on tour, can rest peacefully knowing that a fully-awake adult will be supervising the students from the time they leave their school until the time they return home. Group leaders and chaperones can begin each tour day with a full night of rest, ready to explore.
- **Student-Safe Hotels:** Scholastica makes every effort to ensure the safety of students at hotels. Rooms are always requested to be non-smoking, on the second floor or higher, and without outdoor access. Rooms located close together along straight hallways make supervising easy.
