How it Works

There are many fun challenges for you to complete during your trip to Washington DC! Work individually or in teams to find the objects and answer the questions pertaining to each location. Take photos (if the site allows) of each object to document what you find! Don't forget to include team members in the photos!

During the adventure, tweet your photos to @ScholasticaInc if you have a Twitter account, or post on our Facebook page. We love to share your findings with other Explorers!

Where to Find Help

- Pay very close attention to what the tour leader tells you at each location. They may reveal an answer!
- Ask the staff at the museum or site's information desk to point you in the right direction.
- Check out the maps at each location for clues.
- If you are using a smartphone, download the free National Mall app. It provides lots of useful information, photographs, and interviews with National Park Rangers.
- Read signs and plaques very carefully.
